

Northern Prairie Fiber Artists Guild Membership Form

Membership dues are \$15 per year, due by January 1 of each year. Membership includes the quarterly newsletter, member fees for workshops and activities and voting rights at all meetings. Most important, though, it offers the opportunity to hone your art and to learn new crafts and techniques in a welcoming, generous community of fiber artists. We invite your suggestions for activities in the coming year. Please take a moment to share your ideas with us.

Name _____
